Care Management Services: Consent

Name: _____

Date of birth: _____

_____ offers care management. Between visits, a member of your care team checks in with you, helps you manage your health conditions and medicines, and helps you get the care you need. This can be by phone, by video, or through monitoring devices.

Please read each one

☐ You may have to pay part of the cost, such as a deductible or coinsurance, for care management, including care you get by phone or online.
☐ Only one practitioner or clinic can give you these services and bill for them in any calendar month.
☐ You can stop at any time. If you stop, it ends at the end of that calendar month.
☐ We may share your health information with specialists who care for you, and talk with them about your care.
☐ If you get behavioral health care through us, we may talk with a psychiatric consultant about your care.
