Please read

☐ This is only an estimate. It shows the care we expect today, as far as we know now.
☐ The actual care or charges may be different.
☐ Your provider may suggest other care that is scheduled or asked for on its own. That care is not in this estimate.
☐ Is your bill $400 or more above this estimate for any one provider or clinic? Then you can start a dispute with the federal government. This is called patient-provider dispute resolution.
☐ You must start it within 120 days of the date on the bill.
☐ Starting a dispute will not change the care we give you.
☐ To learn how to start one, go to www.cms.gov/nosurprises/consumers, or call 1-800-985-3059.
☐ This estimate is not a contract. You do not have to get this care from any provider or clinic listed here.

Keep this estimate. You may need it if you dispute a bill.
