_____ offers visits by video or telephone. I understand that:

☐ A telehealth visit may not replace an in-person examination, and I may be asked to come in.
☐ At the start of each visit, I will say where I am.
☐ If there is an emergency during a visit, the clinic may send help there.
☐ The clinic uses a private connection.
☐ I should take the visit where no one can overhear me.
☐ Technical problems may interrupt the visit; if so, the clinic will call me back or reschedule.
☐ My insurance may cover telehealth differently from an office visit.
☐ I may refuse telehealth and ask for an in-person visit instead.
☐ In an emergency, I will call my local emergency number, not wait for a visit.
